

# COLOSSUS

**Identity:** Piotr (Peter) Nikolaievitch Rasputin  
**Group Affiliation:** X-Men  
**Base of Operations:** Xavier's School for Gifted Youngsters, New York  
**Side:** Good  
**Sex:** Male  
**Height:** 6' 6" (normal), 7' 5" (armored)  
**Hair:** Brown  
**Eyes:** Blue  
**Level:** 12th  
**Experience:** 77,000  
**Training:** +1 Accuracy in Unarmed HTH Combat

## Powers:

1. **Heightened Strength A +6**
2. **Heightened Endurance A +8**
3. **Natural Weaponry (*Danger Room Training*):** +2 to Hit, +4 Damage with unarmed HTH Combat.
4. **Transformation (Type A):** Power Activation. Peter can convert his entire body into an organic steel-like substance granting his superhuman strength and resistance. If knocked unconscious, Colossus immediately returns to his normal form. Peter gains the following powers when he is in his armoured form:
  - a. **Armour - Type A (*Organic Steel*):** ADR 250. While in his armoured state, Colossus possesses the same degree of mobility as he does in his normal form (his Agility Modifier is determined by his normal weight instead of his increased weight). His increased weight is only doubled, instead of the normal 3% of the ADR rate. He uses his full weight when determining Carrying Capacity and Basic HTH Damage.
  - b. **Body Power (*Altered Metabolism*):** When Peter changes into Colossus, his metabolism becomes so efficient that he has no need to eat, drink, or breathe.
  - c. **Body Power (*Increased Resistance*):** Colossus is considered to have the Bionic Defense when armoured up.
  - d. **Heightened Endurance B +24** (includes Training Bonuses)
  - e. **Heightened Strength B +48** (includes Training Bonus)
  - f. **Invulnerability (*Organic Steel*):** 16 Points.
5. **Weakness (*Prejudice*):** Colossus is a mutant and as such, he is feared and hated by the world around him.
