**Origin and Background:** (Other Dimensional Demon) The Utukku Demon is a primordial chaos demon in the service of Tiamat, the primordial chaos goddess. While it will cheerfully back-stab and harm another Utukku Demon, they are all fanatically loyal to their "mother," Tiamat. An Utukku Demon has qualms about using, hurting, or killing any lesser being that gets in its way. Its purpose in existing is to cause chaos and to bring glory to their mother.

The Utukku Demon appears as a humanoid with bluish-green, scaly skin and wriggling masses of tentacles for arms and legs. Its eyes are located at the bottom of its face and they glow with a sickly yellow hue in the dark. It has a small circular mouth, on its forehead. A long and slender dark green forked tongue constantly flickers in and out of its narrow mouth. When a Utukku Demon speaks, its voice sounds like it is speaking from deep under the water. The Utukku Demon prefers to inhabit wet locations, the wetter the better. They will not be found in dry, desert-like terrain.
