Background: Before there was the Arkane Syndicate, there was a small crime family known as the Googe Brothers. They ran their little territory from an upscale nightclub known as the Majestic. One day a man approached Kenan Googe with an outlandish offer of mystical help. Kenan threaten to kill the man should Kenan see him again. Kenan then had him thrown out of the Majestic.

The man returned to the Majestic but dressed in a wild costume with a black, stylish hood. He drew P.P.E. from the patrons and then rained mystic hell down upon the club. The man introduced himself as the Black Hood and then executed Kenan Googe on the spot (in fact, Kenan's skeleton now walks as a Hellskel). Alan Googe, Kenan's younger brother, surrendered to the Black Hood. Once the Black Hood had cemented his control over the crime family, Alan became Hellskel number two. With the Black Hood in charge, the Googe Brothers became the Arkane Syndicate.

Under the Black Hood's leadership, the Arkane Syndicate's territory has expanded tenfold. The Black Hood rules the organization with an iron fist.

Special Equipment: A typical Arkane Syndicate member has an automatic pistol (Range 165 ft. / 50 m, 4D6 Damage, 6 round Mag.). They also have ready access to rifles, shotguns, and sub-machine guns.
