Origin and Background: (American) Maximilian Caldwell is a professor of occult studies at Slocumb College in New Augustus City. It was through his studies of ancient occult texts that led him to find his magical items; each item was from a different location. The *Gauntlets of Borrum* (the Celtic god of the winds) was found in a tomb in

Ireland, while the *Green Cloak of Dea Matrona* ("divine mother goddess" and goddess of the River Marne in Gaul) was found in a monastery in France, and the *Torc of Sulis* (solar Celtic goddess of life) was found in a burial mound in Wales. With these magical items, Maximilian became the mystery man known as the Green Druid.

His occult studies also revealed the existence of a secret world-wide cabal known as the Cult of the Crimson Circle that has existed for over a thousand years. Maximilian learned that this cult is controlled by an evil, supposedly immortal mage known as the Red Death.

As the Green Druid, Maximilian has sworn to stop the Cult of the Crimson Circle from infecting New Augustus City with its corruption. He found allies in his fight to protect New Augustus City and these heroes became known as the Mystery Brigade.

The Mystery Brigade consists of the Green Druid, Shillelagh, the Crusader, the Black Buccaneer, Doc Future, and Mass Mistress. Their headquarters is housed in a hidden underground subway station located under the central Garrett-Ebersol Park in New Augustus City. There are secret entrances across the city that lead to the private subway network used by the Mystery Brigade to move around the city.

Training Bonuses: (2) +1 to Hit with Light Control Magic Item, (3) +1 Endurance, (4) +1 Strength, (5) +1 to Hit with Light Control Magic Item.
