Knowledge, Training, and Experience

- Chemistry high school teacher in his civilian life. He is a wizard when it comes to mixing chemicals and compounds.
- Has exceptional endurance when it comes to holding his liquor. He can drink prodigious amounts of alcohol before he shows the signs of it. He actually doesn't like to drink for fear of becoming a sad drunk like his father.

Personnel Dossier

Place of Birth: Watford, United Kingdom

Date of Birth: October 8th, 1918 (24)

Lawrence Atherton is from a middle class family. His father was a civil servant of some standing. What wasn't known to the public was his father was a notorious womanizer and drunkard. When his mother was killed in an air raid during WWI, his father drowned his sorrows in a bottle.

Lawrence turned his scholastic talents and skills towards the war effort. He was quickly assigned to the special forces unit known as Allied Task Force A3 (or more commonly as *the Mad Bastards*).

Bob Ramsey and Eddy Mott like to tease Lawrence by calling him, Larry. Lawrence returns the favour by using their full names – Robert and Edward – when he calls them by name.
