Personality: Gregg Cannon is a cocky, go-lucky type of guy; nothing seems to phase him. He is happily married to his husband, Scott Spencer. He's a glory hound and loves the attention from the media. He expects their Ghostbusters franchise to take off and propel them into stardom. He dreams of having his own talk show on TV.

Background: Gregg Cannon was born in Montréal, Québec, Canada. He is fluent in both English and Québécois French. He is the only member of this franchise that didn't attend Queen's University. Gregg met Scott some years after university, and as such, it makes Gregg feel like he isn't one of the gang. He knows this isn't true, but sometimes his insecurities get the best of him.

Quote: "Can we have the explanation in plain English this time?" or "Smile, gang. Here comes the news cameras." or "I bet this stuff never happens with those other guys."
