ADDITIONAL NOTES

Height: 5' 6"
Move: 9

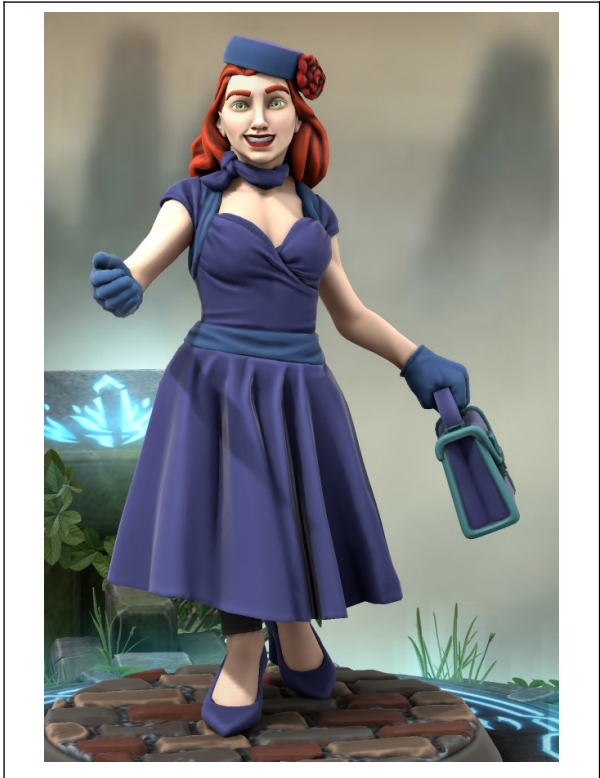

Weight: 132 lbs.
Birthdate: Dec 17, 1890

Red Hair: Has bright red locks and tands out in a crowd – no other effects.

She loves driving cars and knows her way around an engine.

After her encounter with Walter Corbitt and his haunted house, she had taken to caring a switchblade and a flask of rum in her handbag. She spent six months training with the knife.

She created the Pendulum Social Club to aid her in her investigations. The Pendulum Club is a private club. It is located in an old Victorian brownstone house on Newbury Street in Back Bay district of Boston.

Marjorie Legault

As private members of the Pendulum Club, each investigator receives an honorarium of \$500 per month and should the worse happen, their next of kin will receive it instead. Her own will leaves her personal fortune to the Pendulum Club (for operating costs) and Dr. Whitehead is listed as the club's beneficiary.

She became interested in the Mythos when her older brother disappeared while investigating strange occurances on the eastern coast (in Innsmouth).
